Mithras Optics Technology

Product model	**MNS1W-FH25-PH Spec.**					Document code	
Definition department	Engineering dept	Edition	1.0	Page	2/3	Release date	2009/12/1

Product name: Optics LENS

Product model: MNS1W-FH25-PH

Material quality:

Housing: PC fireproof【Withstanding temperature 120℃(Max)】

Lens: PC【Withstanding temperature 120℃(Max)】

Color: Housing (White)

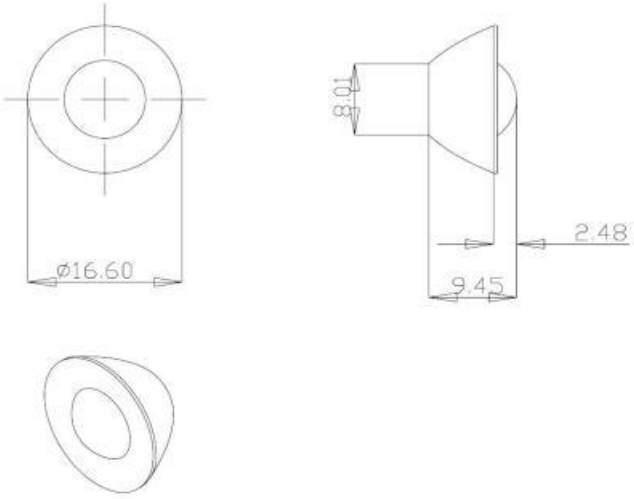

Lens (Transparent)

Measuring means: 2D CMM、Vernier Calipers。

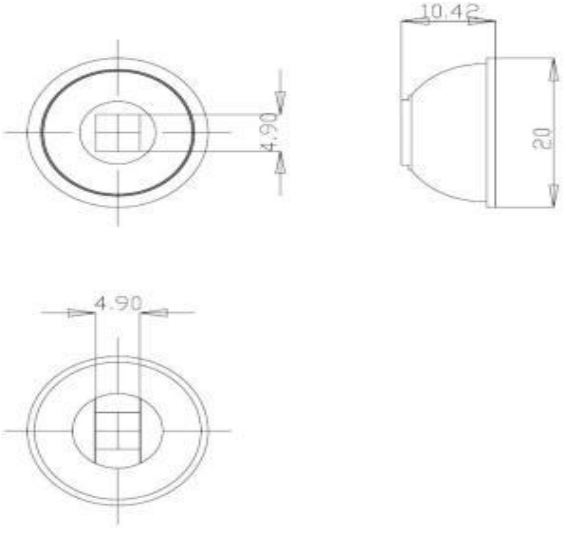

Tolerance：±0.15

Exterior/Mechanism drawing:

Lens :

Lens + Housing :

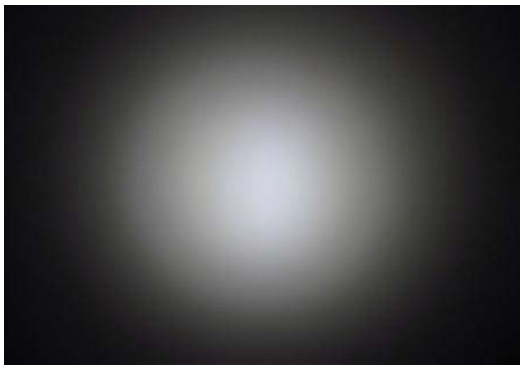

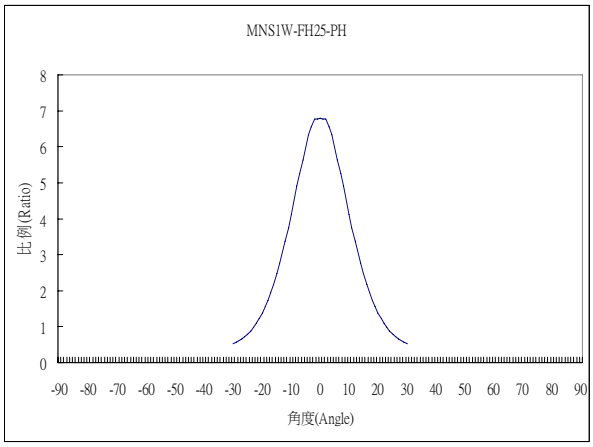

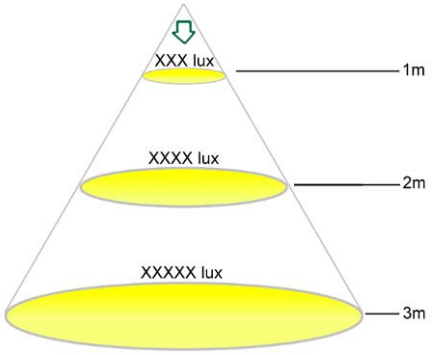

Unit：mm
